

SMS Electronics take Pole position on the International Track.

SMS Electronics the Nottingham based Electronics Manufacturing Services supplier is Britain's fastest growing privately owned company when it comes to export sales. SMS are listed as Number 1 in the Sunday Times HSBC International Track 100 league table. SMS have seen their international sales grow by 418% over the last 2 years. Chris Hunt Sales & Marketing Director said "At a time when people are quick to knock UK manufacturing this shows that UK companies have a great deal to offer. SMS has consistently invested in state of the art equipment and developing its capabilities. This has enabled us to produce extremely complex and technically challenging products for our customers in the UK and Internationally. Our success is a tribute to our highly skilled and committed workforce whose flexibility and customer focus have made the company what it is today"
