

And the winner is ?

SMS Electronics Ltd were guests at the Sunday Times International Track 100 awards dinner which celebrated the outstanding success in international trade. The dinner was held at the Jumeirah Carlton Tower Hotel London

Mike Harby Managing Director of SMS Electronics receives the award from James Farrar

SMS Electronics took the top spot with the award for the fastest growing international sales with a recorded 418% increase over two years. Mike Harby accepted the award saying
“This is not just for the directors but for all our staff who’s commitment and hard work made it possible”
